DEVELOPMENT DEPARTMENT.

Safeguard to avert possibility of destruction of records under war conditions.

Fort St. George, September 9, 1942.

The following Press Correspondent of the Government of India is republished:—

DEPARTMENT OF COMMERCE

WAR DEPS. INSURANCE.

New Delhi, 21st April 1942.

As the possibility of complete destruction of original records cannot be entirely ruled out under war conditions, it is considered desirable that the policyholders under the War Risks (Goods

Insurance Scheme and the War Risks (Factories Insurance Scheme) should have a duplicate set of records in a safe place, which might be produced in support of a claim when the originals have been destroyed.

As the way of proof will be by these, in the event of a claim arising under either of the above schemes, the policyholders should in their own interest, maintain a complete inventory of the property insured, so as to enable them to submit claims required to substantiate their claim. This should contain precise details of the situation, description and value of the property covered even by item, held by the policyholder from time to time. In cases where such property is situated in more than one place, separate details in respect of each place should be maintained.

The following Bill, together with the Statement of Objects and Reasons, is published for the purpose of eliciting opinion. Notice is hereby given that the said Bill will be considered on or after the 23rd October 1942 and that any objection or suggestion which may be received with respect thereto before the said date by the Secretary to the Government of Madras in the Home Department, will be considered.

*A Bill further to amend the Madras City Police Act,
1888.*

WHEREAS it is expedient further to amend the Madras City Police Act, 1888, for the purpose hereinafter appearing :

AND WHEREAS the Governor of Madras has, by a Proclamation under section 103 of the Government of India Act, 1935, assumed to himself all powers vested by or under the said Act in the Provincial Legislature,

Now, therefore, in exercise of the powers so assigned to himself, the Governor is pleased to enact as follows :—

1. This Act may be called the Madras City Police (Amendment) Act, 1942.

Amended
of 1908, 7
Madras Act
311 of 1908.

2. In section 7 of the Madras City Police Act, 1888, for the words "The Commissioner shall by virtue of his office be a Presidency Magistrate" the words "The Commissioner and his Deputies shall by virtue of their respective offices be Presidency Magistrates", for the words "his powers as Magistrate" the words "their powers as Magistrates", and for the words "he shall not", the words "they shall not", shall be substituted.

Madras Act
311 of 1908.

STATEMENT OF OBJECTS AND REASONS.

Under section 7 of the Madras City Police Act, 1881, the Commissioner of Police is by virtue of his office a President of the Municipal Council. He is also a member of the Corporation. The object of the Bill is to amend the section by making the Deputy Commissioners of Police also Presumptive Magistrates for the same purposes. This amendment will enable Deputy Commissioners themselves to remain in the position to which they are entitled under section 167 of the Code of Criminal Procedure, 1898, without the necessity for a reference to a Presidency Magistrate. This will save the time of the regular Magistracy in the City and at the same time effect some economy in police expenditure.

(By order of His Excellency the Governor)

Secretary to Government, Local Department.

28 Dec. 8,
Ch. 2.

Now, THEREFORE, in exercise of the powers so assumed to himself, the Governor is pleased to enact as follows:—

Enactment

1. This Act may be called the Madras Rivers Conservancy (Amendment) Act, 1934.

Substitution of new section for section 11, Madras Act VI of 1934.

Prohibition of new cultivation on land in bed of notified rivers.

2. For section 11 of the Madras Rivers Conservancy Act, 1934 (hereinafter referred to as the said Act), the following section shall be substituted, namely:—

Madras Act VI of 1934

" 11. After such surveys have been completed and approved and the notification as provided by this Act made by the Provincial Government, land within the limits of a river-bed as defined in section 7 which has not been cultivated for two years previous to the date on which this Act is applied to the river, shall not, without the previous permission of the Conservator of Rivers in writing, be cultivated, and it shall not be lawful without such permission to cultivate within the limits of a river-bed any new formation of land.

Whoever commences or carries on, or attempts to carry on, any cultivation in contravention of this section and of a notice from the Conservator to desist shall be punishable with fine which may extend to five hundred rupees and in default of payment of fine to simple imprisonment not exceeding three months.

Explanation.—'Cultivation' shall, for the purposes of this Act, include the growing of plants which require the ground to be ploughed once a year or at shorter intervals and which are ordinarily removed at the end of the season but shall exclude 'plantation' as explained in section 13."

Amendment of section 13, Madras Act VI of 1934.

3. In section 13 of the said Act—

(a) in sub-section (1), after the words "within such river-bed", the words "including any new formation of land therein" shall be inserted;

(b) at the end of sub-section (1), the following Explanation shall be added, namely :—

" *Exploration.*—' Plantation ' shall, for the purposes of this Act, include the growing of plants, shrubs or trees which do not ordinarily require the ground to be ploughed or cultivated every year and which are generally propagated by the planting of cuttings, sets, seedlings or shoots such as nanal, alchi, tilia, betel, sugarcane, plantain, bamboo and the like. "

(c) in sub-section (6), for the words " prohibited by this section ", the words " in contravention of this section " shall be substituted.

Secretary to Government, Legal Department.

LEGAL DEPARTMENT.

NOTIFICATION.

The following Statement of the reasons which have moved His Excellency the Governor to enact the Madras Rivers Conservancy (Amendment) Act, 1942, in exercise of the powers of the Provincial Legislature assumed by him under the Proclamation issued under section 93 of the Government of India Act, 1935, is published for general information:—

REASONS.

Sections 11 and 12 of the Madras Rivers Conservancy Act, 1934, both apply to plantation and construction of buildings on river-beds. The penalty laid down by the two sections for unauthorized plantation or construction on river-beds and the procedure for obtaining the necessary permission for such plantation or construction are different. As it is often found difficult to decide which of the two sections should be applied to particular cases, it is considered necessary to amend those sections so that plantation and construction on river-beds may be governed entirely by section 12. Sections 2 and 3 of the amending Act give effect to this object.

2. Section 17 of the main Act empowers the Conservator of Rivers to do, in connection with the conservancy of any river to which the Act has been applied, any act which appears to him to be necessary to prevent erosion, breach of embankments, etc. Courts have taken the view that in doing such acts the Conservator cannot enter any private land adjoining the river. It is considered necessary to amend section 17 so as to empower the Conservator in an emergency to enter upon an adjoining public or private land and take earth or do any other act necessary for repairing erosion or other damage to embankments. Section 4 of the amending Act carries out this object.

3. A Bill for making these amendments was published for criticism, but no objection or suggestion was received. His Excellency the Governor has therefore enacted the Madras Rivers Conservancy (Amendment) Act, 1942.

(By order of His Excellency the Governor)

P. APPU NAIR,
Secretary to Government

The following Act received the assent of His Excellency the Governor on the 17th September 1942 and is hereby published for general information:—

ACT No. XXII OF 1942.

An Act for the removal of a disqualification for the membership of the Madras Legislature.

WHEREAS it is necessary to remove the disqualification imposed on persons holding the office of District Organizer of the National War Front, for being chosen as, and for being, members of the Madras Legislative Assembly or of the Madras Legislative Council;

AND WHEREAS the Governor of Madras has, by a Proclamation under section 83 of the Government of India Act, 1935, assumed to himself all powers vested by or under the said Act in the Provincial Legislature;

NOW, THEREFORE, in exercise of the powers so assumed to himself, the Governor is pleased to enact as follows:—

1. This Act may be called the Madras Legislature (District Organizers Removal of Disqualification) Act, 1942. Short title.

2. No person shall be disqualified for being chosen as, or for being, a member of the Madras Legislative Assembly or the Madras Legislative Council, by reason only of the fact that he holds the office of District Organizer of the National War Front and receives the emoluments in respect thereof. Disqualification removed.

[By order of His Excellency the Governor]

P. APPU NAIR,
Secretary to Government, Legal Department.

LEGAL DEPARTMENT.

NOTIFICATION.

The following Statement of the reasons which have moved His Excellency the Governor to enact the Madras Legislature (District Organizers Removal of Disqualifications) Act, 1942, in exercise of the powers of the Provincial Legislature passed by him under the Proclamation issued under section 93 of the Government of India Act, 1935, is published for general information:—

STATEMENT.

Under section 89 (1) (a) of the Government of India Act, 1935, a person is disqualified for being chosen to, and for being, a member of a Provincial Legislative Assembly or Legislative Council, if he holds any office of profit under the Crown in India, other than an office declared by Act of the Provincial Legislature not to disqualify its holder. In connection with the scheme for the organization of the National War Front, the Government have sanctioned the creation of a temporary post of District Organizer for each district and the incumbents of these posts receive salary from Government. The office of District Organizer is thus an office of profit under the Crown in India and by virtue of the provisions of the section referred to above, persons holding that office would be disqualified for being chosen to, and for being, members of the Madras Legislative Assembly or the Madras Legislative Council. It is considered necessary to remove this disqualification. His Excellency the Governor has, therefore, enacted the Madras Legislature (District Organizers Removal of Disqualifications) Act, 1942.

(By order of His Excellency the Governor)

P. APPU NAIR,
Secretary to Government.
